

cell counting intelligence

The Scepter™ 3.0 Automated Handheld Cell Counter

Upgrade your tissue culture room by getting accurate cell counts quickly, and recording results digitally. Our Scepter™ 3.0 handheld cell counter combines smart capabilities with the Coulter impedance principal to hand you precise, consistent counts in seconds.

Accuracy you can count on, smarter than ever.

SigmaAldrich.com/Scepter

The life science business of Merck operates as MilliporeSigma in the U.S. and Canada.

Easy-to-read histogram display of cell counts

Mounts anywhere for storage and charging

Ergonomic design for fatigue-free use as if using a pipette

Wireless capability for instant printing or data transfer

Precise, microfluidic technology based sensors

Millipore®

Preparation, Separation, Filtration & Monitoring Products
